**Re: Medicare Reimbursements of Certain Medicare Part D Drugs and Supplies**

Due to governmental changes in Medicare's reimbursement of certain Medicare Part D drugs and supplies (such as diabetic test strips), your co-pay may be affected.

If you are charged a co-pay for drugs and supplies that were not subjective to a co-pay before please contact OptumRx's customer service for help at (855) 672-3644 or (855) OPA-ENGI for benefit information.

The Trust and OptumRx are committed to implementing changes as soon as possible to meet this mandated change by Medicare.

If you have any questions, please contact the Trust Fund Office or OptumRx at the numbers listed above.

Sincerely,

Board of Trustees
