Coverage for: Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Trust Fund Office at 1-800-251-5014. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform.com</u> or call 1-800-251-5014 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500/individual, \$1,500/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Contract <u>Provider</u> (and certain Non-Contract <u>Provider</u>) <u>preventive</u> <u>care</u> , hearing aid benefit, outpatient <u>prescription drugs</u> (some subject to separate <u>deductible</u> outlined below), chemical dependency, dental, vision, and LiveHealth Online visit are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. \$100/individual for retail brand name <u>prescription drugs</u> (except for brand name PPI drugs). There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Contract <u>Providers</u> : \$5,000/individual, \$11,000/family; Non-Contract <u>Providers</u> : \$10,000/individual, \$30,000/family. <u>Prescription drugs</u> (innetwork): \$1,600/individual, \$2,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Medical: Out-of-Pocket Limit does not include premiums, balance-billing charges, dental & vision plan expenses, prescription drugs, penalties for failure to obtain preauthorization, amounts over the reference-based price for certain surgeries, amounts for certain treatment at a Non-Center of Medical Excellence facility, health care this plan doesn't cover and Non-Contract copayments and coinsurance. Prescription Drug: Out-of-Pocket Limit does not include Medical expenses, premiums, balance-billing charges, dental and vision plan expenses, penalties for failure to obtain preauthorization, amounts over the max for PPI drugs, health care this plan doesn't cover, and Non-Participating Pharmacy expenses.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.anthem.com/ca for a list of Contract Providers in California or call the Trust Fund Office. For a list of Contract Providers outside of California, see www.bluecares.com or call 1-800-810-2583. For Contract chemical dependency providers , call Assistance Recovery Program (ARP) at (800) 562-3277. For hearing aids, call (888) 432-7464 or (800) 442-8231.	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
