NON-MEDICARE RETIREE ENROLLMENT FORM

Important Notice: I apply for Health Plan membership for the persons listed and agree that we shall abide by the provisions of the Health Maintenance Organization (HMO) service agreement or preferred provider plan regulations, whichever applies. I understand that the service agreement provides that all claims, including medical malpractice claims, which arise because I or someone with a relationship to me, believed that some conduct in, or arising from my relationship with the HMO, HMO hospitals, or the HMO medical group, as a member or as a patient, has caused any harm, must be submitted to binding arbitration instead of court trial.

I understand that the Pensioned Operating Engineers Health and Welfare Trust Fund has no enforceable right in, or to my Pension Plan benefit payment or portion thereof, except the payments actually received by the Health and Welfare Fund pursuant to this authorization. I also understand that I may revoke this authorization at any time if I notify the Pension Plan, in writing, of my wish to terminate the deduction, and that in the event of such termination the Health and Welfare coverage for myself and/or my dependent child(ren) will also terminate and I will not be able to re-enroll at a later date.

Kaiser Foundation Health Plan, Inc., Arbitration Agreement*

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Kaiser Foundation Health Plan, Inc. (KFHP), any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in KFHP, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Evidence of Coverage.
